

CREAM CLEANER

CC20

TECHNICAL INFORMATION SHEET

PRODUCT DESCRIPTION

CC20 Cream Cleaner is a high performance yet gentle abrasive cleaner. Specially formulated with a high active blend of surfactants and fine abrasives CC20 Cream Cleaner will cut through heavy dirt and greasy soiling for a deep clean that is gentle on surfaces. It's ideal for cleaning a vast range of surfaces in most environments.

FEATURES AND BENEFITS

- High performance concentrated formulation enabling heavy staining and soiling to be removed with ease.
- Dissolves scale build up.
- Powerful formula removes the toughest of dirt including cement and plaster splashes.
- Cleans and degreases in one application including body fats, greases and scum lines from sinks and ceramic surfaces.
- Effective to use on most surfaces.
- Safe for use in septic tanks.

INSTRUCTIONS FOR USE

USE UNDILUTED

Squeeze a small amount of CC20 Cream Cleaner onto a damp cloth. Apply to the surface to be cleaned and wipe gently. Agitate to remove any stubborn stains. Wipe away any surface residue with a damp cloth. Wipe surface dry, buff for a real shine if required.
