

PREMIUM COMBI OVEN DETERGENT

COD10

TECHNICAL INFORMATION SHEET

PRODUCT DESCRIPTION

COD10 Premium Combi Oven Detergent is a specialist, premium concentrated degreaser detergent for use through the integral cleaning system on combination ovens. Specially formulated it's a powerful, high quality product, designed for use in Atmospheric Ovens and Non-Atmospheric Ovens.

FEATURES AND BENEFITS

- For use in all auto combination oven systems.
- Suitable for use in WRC Category 3 (Atmospheric Ovens) and Category 4 (Non-Atmospheric Ovens).
- Powerful formulation effective at removing stubborn soilage and stains.
- Excellent grease removal, rapidly breaking down grease, oils, food deposits, and carbonised deposits.
- Controlled, low foaming levels.
- Anti-Corrosive formulation protects the life of your dishwashing machine.
- Effective in hard and soft water areas.

INSTRUCTIONS FOR USE

DILUTION

COD10 Premium Combi Oven Detergent **MUST** only be used via the internal dosing system on the combination oven.

COD10 Premium Combi Oven Detergent **MUST** only be used in combination ovens with an approved WRC backflow preventer.

Insert the dosing tube directly into the container of COD10 Premium Combi Oven Detergent so that it reaches the bottom of the container. The internal dosing system will automatically dispense the required amount of COD10 Premium Combi Oven Detergent into the machine. Dilution rates can be adjusted on the control panel according to the level of soilage.
