

# GRAFFITI REMOVER

**PGR100**

## TECHNICAL INFORMATION SHEET

### PRODUCT DESCRIPTION

**PGR100 Graffiti Remover** is a high performance, fast acting graffiti remover especially designed for use on all types of surfaces. Specially formulated PGR100 Graffiti Remover is a water rinseable solution and is formulated to remove all types of graffiti including spray paints, felt tip pen, marker pen and ball point pen ink on all solvent resistant surfaces including metal, glass, stone, wood, porcelain, brick and ceramic tiles.

### FEATURES AND BENEFITS

- A high performance, fast acting graffiti remover.
- Low viscosity liquid with very low odour.
- Powerful formula removes the toughest of graffiti marks on metal, glass, stone, wood, porcelain, brick and ceramic surfaces.
- Suitable for dissolving all types of graffiti especially spray paints, marker pen etc.
- Ideal for use in all industry types especially factories, warehouses, engineering, manufacturing and education environments.

### INSTRUCTIONS FOR USE

***Always test the resistance of a target surface before commencing any work as any damage will be irreversible.***

Ensure the use of the correct PPE is applied before commencing any work!

1. Put on the appropriate PPE and work gloves for the task in hand before commencing any work.
2. Pour GR100 Graffiti Remover into an appropriate open top container.
3. Using a paint brush, apply GR100 Graffiti Remover to the selected area, thoroughly.
4. Allow GR100 Graffiti Remover to penetrate for a few minutes, then agitate with an abrasive pad.

### HEALTH & SAFETY

#### HAZARD AS SUPPLIED:

Causes Eye Irritation.  
Wear Gloves For Prolonged Use.

### HEALTH & SAFETY

#### HAZARD WHEN USED:

Causes Eye Irritation.  
Wear Gloves For Prolonged Use.

### PACK SIZES

SKU	Pack Size
571062	2 x 5L

5. On more porous surfaces use a brush to agitate the surface and remove the graffiti from within the pores of the surface.
6. Once the graffiti is dissolved wash or wipe away with clean water.

### **Gloss Painted Surfaces**

1. To remove graffiti from gloss paint, brush GR100 Graffiti Remover on to the surface, agitate with an abrasive pad to loosen the graffiti. Rinse **IMMEDIATELY** with plenty of clean water to stop the action of GR100 Graffiti Remover
