

ULTRA LEMON CLEAN

ULC10

TECHNICAL INFORMATION SHEET

PRODUCT DESCRIPTION

ULC10 Ultra Lemon Clean is a highly concentrated manual dishwashing liquid with extra cleaning power that produces a long lasting foam for cleaning pots, pans, crockery, glass and all washable utensils. Specially formulated with an advanced blend of cleaning agents and lemon oils to ensure mildness and freshness in use.

FEATURES AND BENEFITS

- A high performance neutral based liquid detergent suitable for manual cleaning of all kitchen utensils.
- Concentrated formulation gives excellent cost in use benefits.
- Powerful formula removes the toughest of grease and dirt.
- Cleans and degreases in one operation which makes rinsing easy leaving a streak free finish for a superior finish.
- Long lasting lather ensures each dose washes for longer
- Multi-purpose product designed for cleaning glassware, cutlery, crockery, utensils, worktops, aluminium, glass, stainless steel, ceramics, wood and enamel.

INSTRUCTIONS FOR USE

DILUTION

Use at a concentration of 0.5 to 5.0 ml per litre of warm water.

For heavily soiled items a higher concentration may be required, for lightly soiled items a lower concentration may be used.

Manual Pot Washing

1. Add the required amount of warm water and ULC10 Ultra Lemon Clean to the wash sink.
2. Add the items to be washed and allow a few minutes to soak and agitate soiling.
3. Clean the required items using a sponge, brush or pad.
4. Rinse thoroughly with clean fresh water and allow to air dry.
5. Polish surface of the items with clean dry cloth (if required) to enhance visible shine.
